OIIBO MAKE PET CARE EASIER

For smart pet care, choose OiiBO.

OIIBO MAKE  
PET CARE EASIER

We are a group of young pet owners who understand your worry when you rush out, and the loneliness your furry friend feels while waiting alone. Driven by technology and passion, we founded OiiBO to solve the frustrations of pet parenting. No matter where you are, we guard the mutual bond between you and your beloved pet.

The brand philosophy of "OiiBO: Making Pet Care Easier" is integrated into every product we create. This makes our products not just smart devices, but professional pet butlers available online anytime.

The daily life of raising a pet deserves a more relaxed and fun approach. With "intelligence" as the foundation and "warmth" as the supplement, OiiBO ensures that even when you are thousands of miles away, you will never miss a single moment of your pet's daily life—from meals to every season together.

## ABOUT oiiBO®

OiiBO 让宠爱更轻松

我们是一群年轻养宠人，懂你匆忙出门时的牵挂，也懂毛孩子独自等待的孤单，用智能和热爱解决了养宠的无奈，创立了OiiBO。无论你在何方，守护你与爱宠的双向依赖。

“OiiBO 让宠爱更轻松”的品牌理念揉进每一款产品，让我们的产品不仅是一个智能装备，更是一个随时在线的专业宠物管家。

养宠日常值得更轻松有趣的打开方式，OiiBO以“智能”为基，用“温度”加持，让你在千里之外，与爱宠的三餐四季，从不失约。

# DOUBLE BOWL

## 双食盆设计

多宠家庭首选，呵护无微不至

- 双食盆设计，实现精准定向投喂，解决多猫家庭“抢食”痛点，保障每只宠物都有“独享进餐区”；
- 食物盘 7° 倾斜角设计，贴合宠物进食姿势，减少颈部压力，提升进食舒适度。

- The dual food bowl design allows for precise, targeted feeding, eliminating the food-scrambling problem in multi-cat households and ensuring each pet has its own dedicated dining area.
- The food bowl's 7° tilt angle aligns with your pet's feeding posture, reducing neck strain and enhancing feeding comfort.

# MULTIPLE VERSIONS

## 多样选择，贴合所需

多版本选择，满足不同需求

- 提供智能款 / 蓝牙款 / 视频款多种配置，自由选择。
- Available in various configurations: smart, Bluetooth, and video.

\* 默认为单食盆，以上版本均可扩选双食盆款。

\*The default is single food bowl, and the above versions can be expanded to double food bowl.

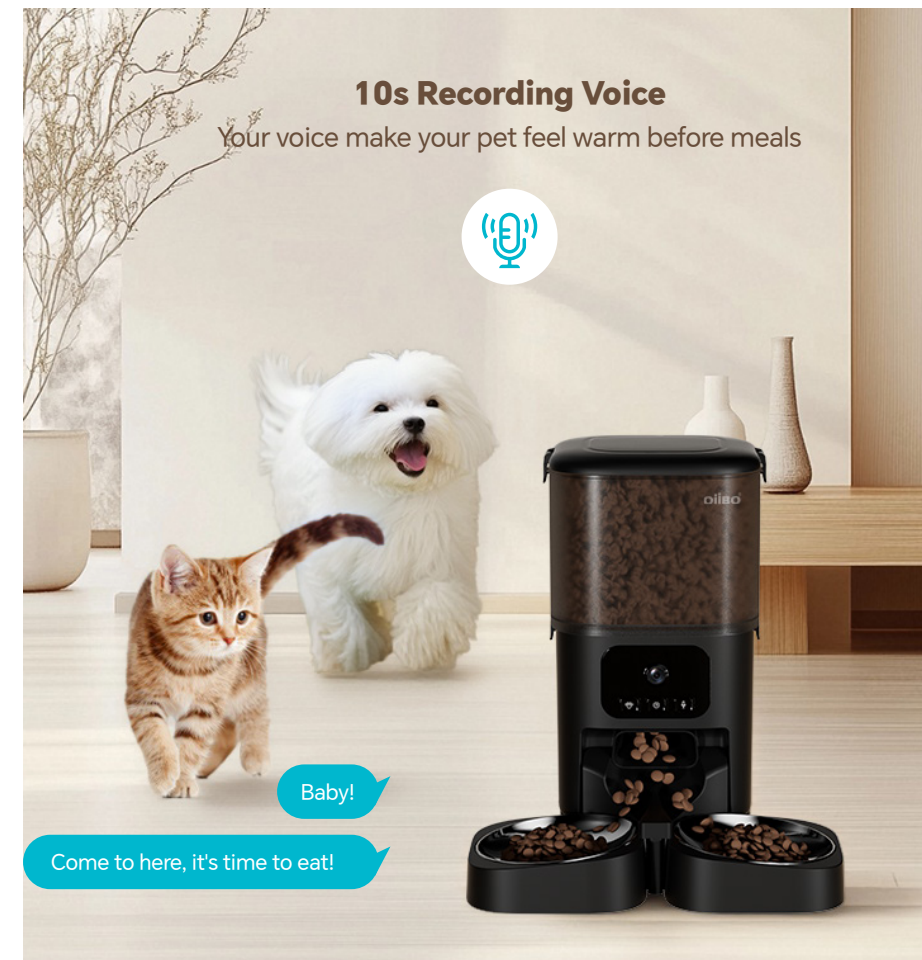

# 2-WAY INTERACTION

## 远程双向互动

- 摄像头支持双向语音 + 远程监控 + AI 云存储功能，真正做到“可视陪伴”。
- 物理遮挡摄像头设计，一键滑盖，守护用户隐私安全。
- The camera supports two-way voice, remote monitoring, and AI cloud storage, providing true visual companionship.
- Physical camera shielding design, one-touch sliding cover, protecting user privacy and security

# REMOTE CONTROL

## APP 远程控制

异常提醒系统，再也不会“宠饿”了

- APP 支持远程投喂、定量控制、喂食计划设置、异常预警、食量记录分析；
- APP 实时推送卡粮 / 堵粮 / 余粮不足 / 电量过低等异常状态；
- 每一口都由系统守护，真正实现“自动喂、不出错”。
- The app supports remote feeding, quantitative control, feeding plan settings, abnormality alerts, and food intake analysis.
- The app provides real-time notifications of abnormal conditions such as food jams, food congestion, low food levels, and low battery.
- The system safeguards every bite, ensuring "automatic feeding without errors."

# UPGRADE SUPPORT

## 支持持续升级

极致性价比 · 还支持持续升级

- 基础功能完整，全面兼顾价格与性能；
- 产品结构预留升级接口，二代版本可拓展为“干粮 + 湿粮 + 饮水”一体机，与饮水机等设备无缝对接。
- 猫草球一体设计，边吃边玩缓解猫咪情绪，有效防止毛球堆积；
- It offers comprehensive basic functions, perfectly balancing price and performance.
- The product structure includes a built-in upgrade port, allowing the second-generation version to be expanded into an all-in-one "dry food + wet food + water" dispenser, seamlessly integrating with water dispensers and other devices.
- The integrated cat grass and ball design allows cats to play while eating, soothing them and effectively preventing hairballs from accumulating.

# TRIPLE-FRESH LOCK SYSTEM

## 三重锁鲜系统

每一口都新鲜如初

Enhanced sealing ring

密封桶盖

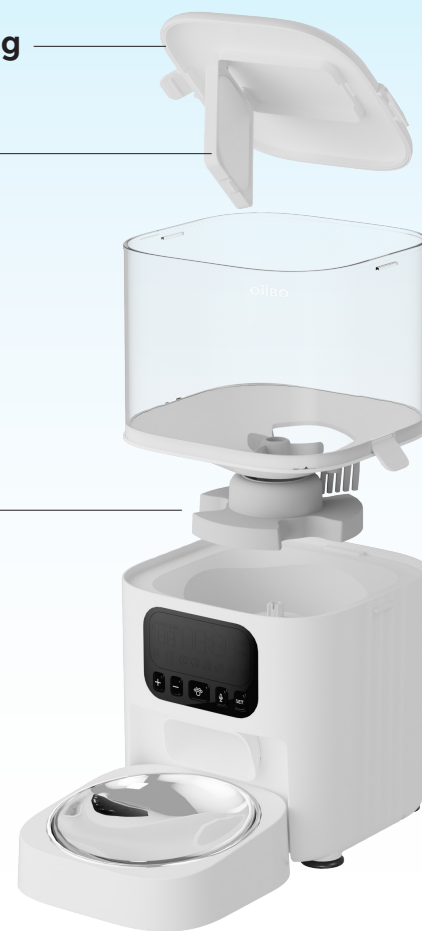

Desiccant chamber

干燥剂仓

Sealed rotor

密封转子

- 干燥剂仓 + 密封桶盖 + 密封转子三重保鲜，隔绝潮气与氧化；
- 适配多地气候，无惧回南天、梅雨季，保持干粮干爽可口。
- The desiccant compartment, sealed lid, and sealed rotor provide triple freshness protection, isolating moisture and oxidation.
- Adaptable to various climates, keeping dry food fresh and delicious even during the return of the south wind and the rainy season.

# ANTI-JAMMING

## 防卡粮黑科技

百万台验证无故障

- 超宽出粮通道设计 >25°倾斜角，物理结构有效防卡粮；
- 智能反转技术 + 超百万台实机验证，确保高粘性粮食 / 冻干混合投喂同样顺畅。
- Ultra-wide feed channel design with a >25° inclination angle and a physical structure that effectively prevents feed jams.
- Intelligent reversing technology, proven on over one million machines, ensures smooth feeding of even high-viscosity feed and freeze-dried feed.

# EASY-TO-CLEAN

## 快拆易清洗

每日洁净如新

- 桶盖、粮桶、底部、转子、食物盘五大部件全可拆洗，结构简单易操作；
- 陶瓷食盘，耐刮耐热不易滋生细菌，更适合长期使用。
- The lid, bucket, bottom, rotor, and food tray are all removable and washable, making them simple and easy to use.
- The ceramic food tray is scratch-resistant, heat-resistant, and less susceptible to bacterial growth, making it ideal for long-term use.

# DUAL POWER SUPPLY

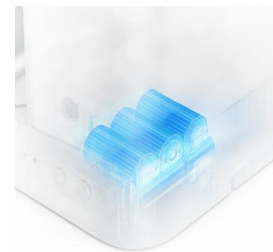

## 双电源保障

断电依然可靠运行

- 插电 + 电池双供电模式，突发断电也能继续投喂，保障不间断服务；
- 低电量预警，提前更换电池，避免喂食中断。
- Dual power supply modes, including plug-in and battery, ensure continuous feeding even in power outages, ensuring uninterrupted service.
- Low-battery warnings allow for pre-emptive battery replacement to avoid interruptions.

# SPACE-SAVING

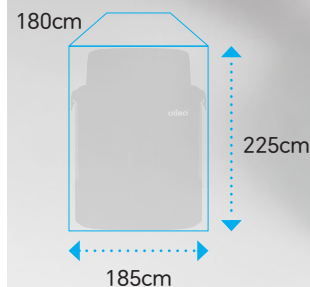

## 物流与包装

每一环都为全球市场而优化

- 整机设计符合亚马逊小尺寸包装规范，大幅节省海外物流与仓储成本；
- 采用嵌套式套桶结构，拆装便捷、运输更省空间，极大优化 B 端渠道周转效率。
- The entire device is designed to meet Amazon's small packaging specifications, significantly reducing overseas logistics and warehousing costs.
- The nested barrel structure allows for easy assembly and disassembly, saves space for transportation, and significantly optimizes turnover efficiency in B-end channels.

**SAVE SPACE DESIGN**

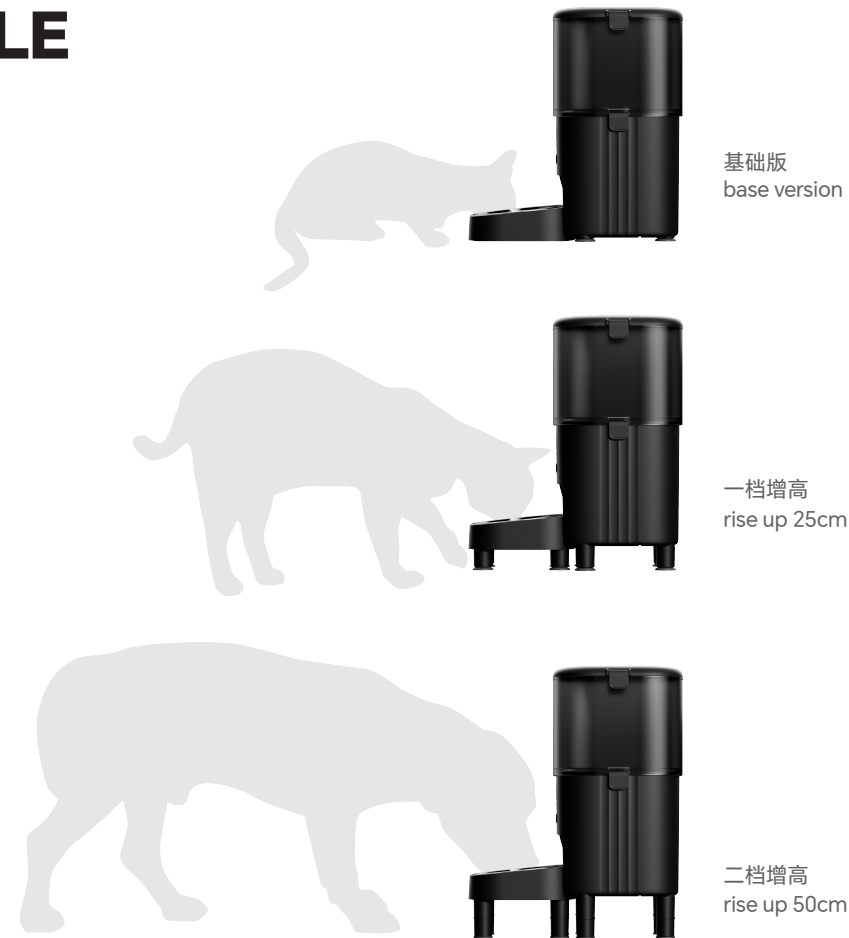

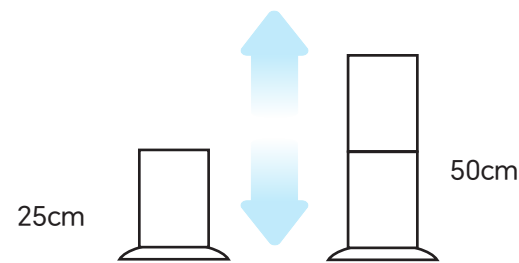

# HEIGHT-ADJUSTABLE

## 可调高度

不同进食高度调节，保护爱宠颈椎

- 可调节食盘高度，适应不同宠物的进食姿态，关爱从细节出发。
- The height of the food bowl is adjustable to accommodate different pets' eating postures. Showing care in every detail.
