Making pet care smarter and easier.

About us

Shenzhen PetBond Smart Technology Co., Ltd. is a subsidiary of Etan Group, with over 9 years of experience in the smart pet products industry. We are committed to providing innovative, reliable, and market-driven solutions for global partners.

Our product portfolio includes automatic pet feeders, water fountains, cat litter boxes, and smart pet toys, designed to enhance convenience, efficiency, and pet well-being.

Backed by Etan Group's strong manufacturing capabilities, we operate production bases in Dongguan (China) and Vietnam, ensuring stable capacity, consistent quality, and flexible global delivery.

We offer comprehensive OEM&ODM services, covering product R&D, industrial design, and manufacturing, helping our partners quickly bring competitive products to market.

With a strong focus on cost-performance, product innovation, and supply chain efficiency, OiiBO is a trusted partner for brand owners, distributors, and e-commerce businesses worldwide.
